1st February L.A.M.A Run 2026

A Vehicle perspective.

I am a 2008 Silver Ford Focus, I have been eves dropping in on my owners, while they were driving me around. At the first Club meeting in January, they learn that they had to set and produce a run in two weeks time for the 1 st February 2026 first Sunday Run.

The day arrived and we met many other vehicles at the Apex Car Park in Gatton. We moved out of the Park onto the road, but no, one vehicle decided not to start, I happened to have my owners jumper leads in the back, (as on the previous Thursday my Battery wouldn't play ball and had to be replaced). The leads done the trick and got the sad vehicle going.

We drove along some back roads around Gatton, crossing under the Warrego Highway, and headed towards Lockyer Waters, then we headed East along Clarendon Road. Heard from the front seats that there were 15 vehicles all following me, as I was the LEAD car.

Along Clarendon Road we turned right and went past the new housing estate (Parklands), which is built on the old Rifle Range, last firing was in 1955, but was well used during the World War 2 , as just over the other side of Lockyer Creek was the War Airfield. The people in the following vehicles were amazed at the quality of the new homes.

We travelled along part of Rifle Range Rd, right into Gravel Pit Rd then along Foresthill Fernvale Rd left into Brightview Rd then a left and a right into the morning Tea stop. Here we met some more vehicles that had come directly to Morning Tea.

Some members had never been to Jensen's Swamp Park and found it quite good under the shady trees, and about everyone was under the shade shelter, but us poor vehicles had to put up with some dust under our wheels.

While at Morning Tea, we received the sad news that one of the Club Members (Peter), had passed away. Mary and Peter were to meet us at MT, but Peter was in Hospital. Doug the President told everyone, then some members (relations) went home. R.I.P Peter, you will be sadly missed .

After MT we travelled skirting Lowood, then along the Glamorganvale Hills Road, down Fernvale Road and through the Honeywood Estate passing all the streets ending in WOOD. (over 20).

The vehicles managed a spot in the Fernvale Tavern Parking lot, and the members had lunch in the Air Conditioned Dining area. After all that the vehicles were driven to their home by their owners. As I can't type etc, had to get my owners Geoff & Maureen to do it. Bye for now, Ford Focus, drive with you on our next run.

Terry and Irene Spears Run 1st of March

We started at Lake Apex and left at 9am with a drive out to Lowood where we sat around and had morning tea

After morning tea we then went for a drive to Toogoolawah Tavern for a great meal
