Editor's Notes.

As the new Editor of our Reflection, I would firstly like to take this opportunity to thank Sue for all the work and dedication she put into the editor's roll over the past 9 years - What an amazing effort. Not only did Sue coordinate the contents of magazine on a monthly basis, but she also wrote many of the articles and reports that went into the newsletters herself on a regular basis.
Again, thank you – we certainly appreciated your efforts.

Our Annual General Meeting was held on the 2nd August and we thank those members that accepted the various positions of Office Bearers and Sub-Committees that are essential to managing our club in the coming year.

At this stage the positions of President, Vice President, Rally Directory and Public Officer are still vacant. We ask all members to consider taking on one of these positions. For more details, please refer to the minutes of our Monthly Meeting on page 9 of this edition of Reflection.

A big thanks you to Chris Billingham for writing the minutes for both our AGM and monthly meeting this month in the absence of Leanne. We hope Leanne got over the dreaded flu quickly.

The “Events Survey” conducted in May/June on the future direction of our “Major Events” has now been completed and the outcome briefly discussed at our July meeting. Generally, the feeling of the 40 members that replied to the survey indicated that they still wanted a June Rally with runs in the countryside every day if possible, along with a soup stop & a static display on the Sunday – or similar.

The outcome of the survey and the direction the club will take will be discussed again at our September Monthly Meeting. Hopefully we can make some headway from this meeting so that our new Committee for 2025/2026 can make some decisions on the matter. So, please come along to the meeting on Friday 5th September and have you say – and hear what other members have to say. Of course – we have to find a Rally Director/Committee that will take on the Task before we can proceed any further!

Alan Cain was involved in a road accident on the outskirts of Coolamon a few weeks ago. Our spies tell us that fortunately Alan survived the ordeal much better than his vehicle. We hope everything is going ok for him now.

P.S – the accident was in was his modern vehicle – not the EH

Members were saddened to hear of the passing of Val Garthon on 19th July.

Val's funeral service was held at St John's Anglican Church on 25th July.

Val and Arthur were long time members of our Club and always supported our club and attended events on a regular basis.

Our condolences go out to Malcolm, Jennifer, Heather and families.

90 years of age – now reunited with Arthur in Heaven.

If you are interested in watching some old car races on-line you may want to go and have a look at the Goodwood Road & Racing site. Some great races and documentaries. You can actually subscribe to Goodwood if you have some spare cash! Some YouTube videos are free – just copy & paste the link below:

MAGAZINE EDITOR'S REPORT

As I step down from my role as Editor of the WWVVMC newsletter, I would like to take this opportunity to sincerely thank all members for their support and assistance over the past nine years.

It has been a pleasure to work alongside such a dedicated and enthusiastic committee, and member's contributions – whether large or small – have helped shape and strengthen our publication.

Like many organisations, we face ongoing challenges, particularly with rising costs such as postage and printing. These are matters that will no doubt be thoughtfully addressed by the new committee in due course.

Personally, I have thoroughly enjoyed my time as Editor. It's been a rewarding experience and a privilege to be part of keeping our members informed and connected, however, I feel it is now time for some fresh ideas and new inspiration to carry the publication onward.

Thank you once again for the opportunity and for making this role such a fulfilling part of my life.

Sue Kelly – retiring editor.

REGISTRATION OFFICER'S REPORT

On November 10, 2024 we held our first Rego day at our new clubrooms. 64 vehicles were inspected including 5 motorbikes and another 11 vehicles were passed with pink slips for a total of 75 vehicles. Several other vehicles were also passed during the year that are out of sync.

A big thanks to John Rockliff for inspecting 22 of these vehicles prior to the rego day. This helped allow us to once again only do one Rego day this year and made the day in the new premises much more manageable.

Over the year, 2 new vehicles were registered with the club. These were Ian Condon's ZB Fairlane and Jamie McLarty's 1967 Fairlane previously owned by his father.

Many thanks must go to my helpers.

Before the event with all the planning Rob Le Lievre, and on the day John Rockliff, David Rainbird and Rodney Bredin (the young helpers that were rolling under the vehicles).

Ian Holgate, Peter Billingham, Lou Debono, Rob Le Lievre and Neil Cole, along with Colleen and Chris Billingham for doing the paperwork.

Thanks also to Ray Harrison for manning the BBQ along with Leanne Thomas, Sue and Craig Kelly, Pam Tarlinton and Annie Taylor.

This year's Rego Day will be held on Saturday November 8, starting at 9am at our new Clubrooms.

Yours in Vintage Motoring
Gerald Rainbird

CLUBROOM OPERATIONS

We have now been using the Duke of Kent Community Centre as our home base for just over 1 year. The largest event remains the 2024 June Rally where the facility performed well but no repeat event was held in 2025.

The 2024 Rego day was successful and a few tweaks are proposed for 2025 now that the boundary fence between us and the child care has been erected, tightening the turn out of the outdoor covered area.

Freedom of access to the dedicated meeting room has been confirmed so we can come and go to that room and toilet facilities as we please within reasonable hours.

The EOFY 2025 Finance Report confirmed a \$1500 profit for that year. Major costs are lease fees (including garbage), insurances and magazine costs primarily funded by investment interest and subs. We no longer have maintenance costs, building insurance, mowing roster with costs, and public utilities costs.

Additional lease fees apply for events exceeding 12 GM s and one use of the outdoor covered area with a 50% discount.

The possibility of income becoming taxable remains a concern. Interest rates are also in decline.

Erection of the Club's sign, together with U3A's sign remains with Council.

Submissions included in the recent Major Event Survey confirm that some members still resent loss of our old clubrooms but others are happy to move on and make the most of the new facility.

Thanks go to my subcommittee for room setup, kitchen readiness and cleanup, and checking that toilet facilities are serviceable.

Stuart Le Lievre
Club Rooms Operations

ASSETS AND MEMBERSHIP REPORT

Since relocating to our new rooms, we have successfully consolidated our assets, making it easier to manage and access equipment and resources. This probably needs more fine tuning into the future but is a work in progress.

On the membership front, our pre-meeting advertising on AAA FM radio – thanks to the efforts of Robyn Petts – has been a great success. We've received several enquiries from potential new members, and we're pleased to report that some of those have already joined.

It's encouraging to see this level of interest and engagement from the community.

Feedback on our membership process has been very positive, with new members finding it smooth and welcoming. With this solid foundation in place, we are optimistic that our club membership will continue to grow in the months/years ahead.

Thank you to everyone involved in supporting both our assets and membership efforts.

Craig Kelly
Assets and Membership Officer

SOCIAL EVENTS DIRECTOR'S REPORT

As this is my first year as Events Director, I've found the position both rewarding and, at times, a little challenging. I still don't think I've managed to send many emails without a mistake in them – definitely a work in progress!

Sunday and Weekend Runs

In 2024, our Sunday and weekend runs took us to a variety of destinations, including

- Gundagai
- Barmedman
- Ganmain Show
- Coolamon Fire Engine Muster
- Hill End
- Hupp Rally
- Miss Wagga and Fishing for Kyan
- Christmas Light Tour and Party

In 2025, we had trips to:

- Collins Park for our annual New Year's Breakfast
- Warrawong Vintage Harvest Display
- Yerong Creek (Australia Day)
- Observation Run to Thomas' Woolshed
- Tootool – joint event with Wagga Classic
 - Motoring Club
- Corowa
- Echuca/Moama Steam, Iron & Trades Revival
- Joint lunch in Culcairn with the Albury club
- Adelong Falls/Tumut

Midweek Runs and Social days

Midweek runs continue to be very well organised by Pam Tarlinton, with lots of chats, coffees, morning teas, and lunches enjoyed at various locations around Wagga and district. I want to formally acknowledge and thank Pam for all her efforts in planning and coordinating these outings.

Rob Le Lievre also needs to be acknowledged for continuing to host Tuesday Social Day.

Highlights of the Year

New Year's Breakfast – Collins Park
We started 2025 with breakfast at Collins Park. Thirty nine club members set off on a scenic run around Lake Albert, Finishing at Butterbush Rd. All 26 cars made it to Collins Park, where we were treated to a delicious breakfast cooked by Ray and Carol Harrison, Alan Fraser, Ian Condon, Gerald and myself. A special thank you to Rob Le

Lievre, who did a fantastic job organising all the necessary equipment. The relaxed park setting provided the perfect opportunity for members to catch up and enjoy each other's company.

Overnight Trips

We had two overnight trips this past year:

1. Hill End Tour – Organised by Rob and Stu Le Lievre, with 11 cars and 20 people. The journey included Cootamundra, Young, Bendick Murrell, Cowra, Bathurst, Carcoar, Millthorpe, (sedate) laps of Mount Panorama, Hill End, Mayfield Gardens and Crookwell.
2. Echuca Steam Weekend – In lieu of our June Rally, 8 vehicles and 18 members travelled to Echuca to attend the steamIron and Trade Revival Show. Many thanks to Geffrey Holgate for sharing the information that encouraged the trip. The Historic Pass allowed us to enjoy various activities around Echuca. Congratulations Ian and Chris Holgate, who won "Car of the Show" with the Gardner. While Geffrey and family couldn't attend due to family commitments, we're grateful for his contribution. Even the rainy weather couldn't dampen our enthusiasm!

Midweek Run Highlight

The most well-attended midweek event was our visit to Kapooka, organised by Pam and Pauline Hopkins on Wednesday 21 May. The day began at Jubilee Park, with 20 members and 2 visitors. After a security check at the base, the group enjoyed a lovely morning tea at the café, followed by a fascinating museum tour and a drive to the lookout with its amazing views. Lunch at the Sergeant's Mess was excellent, and the day wrapped up with a relaxed afternoon in the lounge.

Thank You

A big thank you to my committee:

- Gerald
 - Chris Billingham
 - Sue & Craig Kelly
 - Rob & Stu Le Lievre
 - and especially Pam Tarlinton
- for all their hard work and support throughout the year.

It's been a pleasure to work with such a dedicated and enthusiastic team.

Thank you
Colleen Rainbird

TREASURER'S REPORT

Chris Billingham tabled Annual Statement and talked us through it. It was moved by Chris Billingham and seconded by C Kelly that Chris Billingham be authorised to make the following statement to NSW Fair Trading in the "Annual Summary of Financial Affairs".

*The Club's financial statements for the last financial year were presented to the members of the Club at the Annual General Meeting held on 1st August 2025,

*The particulars set out in the "Annual Summary of Financial Affairs" are correct and give a true and fair view of the financial matters to which they relate and are not misleading, and

*There are reasonable grounds to believe, at the date of this statement, that the Club will be able to pay its debts as and when they fall due.

BETHUNGRA DAM, BETHUNGRA OLDE SCHOOL T-HOUSE AND THE BETHUNGRA SPIRAL RAIL – 3RD AUGUST 2025

A very pleasant winter morning awaited 8 cars, meeting at the Duke of Kent Community Centre – Club Rooms.

At 9am we were guided out of town by Rob L, along Byrnes Way to Junee, Illabo then arriving for morning tea at the Olde School T-House Bethungra, which was worth a visit, plenty of little areas to explore. After a delicious morning tea consisting of scones with jam and cream, lemon meringue pie, cheesecake, different flavoured teas, milk shakes and steaming hot coffee, we headed off towards the Bethungra Spiral Rail. Very interesting information to read on this development. The view from the lookout was interesting and the metal artwork at the sides of the lookout told a story.

Just down the road we headed off to the Dam. We all soon settled in underneath the new undercover area to enjoy our picnic lunches. The sunshine was fantastic and the beautiful views of the dam and surrounds. After we were all fed, some of us decided to walk along the edge of the dam, others decided to head directly home or in my case head directly to the Junee Licorice Factory for some extra goodies to take home.

The trip to Bethungra was a great success and heartily enjoyed by all. Thank you Colleen for organising.
