Presidents report June 2025

Lindsay Rapley

Hello Members,

We had a sad start to June with the passing of longtime member and dear friend Doc Milligan who was farewelled at a very large funeral on Saturday the 7th. All our thoughts are with Leeanne, Stacey, Nicky and the family. He will be missed around here too.

A sign of the times (I guess) was the sight we were greeted with on our last outing to Smokey Cape being the wanted destruction of the toilet block and also Horseshoe Bay may have suffered the same fate. They can't leave things alone can they.

REGISTRATION OFFICERS REPORT – Lindsay Rapley If you think big brother is not watching hear this: Criminal safety inspections A mechanic in Wagga Wagga was fined \$14,000 for inadequate road safety inspections last year. The mechanic pleaded guilty to 55 charges relating to the issuing of 27 false or misleading vehicle inspection reports in 2023. Between March 1 and March 8, 2023, the issued false or misleading inspection reports on the vehicles. The offender failed to use the appropriate brake-testing equipment when conducting the vehicle safety and in the Magistrates words the actions were "criminal" rather than laziness. Brake tests are a vital part of the annual road safety check to keep people safe on NSW roads.
